Underlined moves do not succeed. The Italian Army Trieste is routed and may retreat to either Budapest, Albania, or off the board. This retreat should be submitted with the "Fall 1902" moves, which may be made conditional upon it. The first standby, Larry St. Cyr (30 Frederick St., No. Adams, Mass. 01247) is asked to submit "Fall 1902" orders for Russia, to be used in the event that Summer does not submit such orders.

DEADLINE FOR "FALL 1902" ORDERS IS FRIDAY, 24 JANUARY 1969

NOTE On Monday, six days after they had been mailed, David Summer's Russian orders arrived. Since this was obviously a Post Office foul-up, and not Summer's fault, I am revising the "Spring 1902" moves in this game. HOWEVER, I serve notice that in future I will not hold myself responsible for correcting Post Office foul-ups, although I will do all I can to correct them. Players are also cautioned that postal cards are often slower to arrive than letters, and since both now cost 6¢ there is little reason to use cards.

MOSCOW The 4th Ukranian Slingers have advanced on Vienna in hopes of getting "The Last Waltz." Their unique weapon, sling-shots and cherry bombs, seems to be quite a success.

VIENNA (DWE) Yes, it's good for everything except capturing Vienna.
